TRANSPORT AND MATERIAL HANDLING HAULERS

R&B Wire Products introduces solutions for transporting small to heavy capacity loads in meeting your laundry, housekeeping, maintenance & material handling needs. Look at our high quality products to see how we can simplify transporting loads for you in the safest manner possible. Our spring platform lifts help facilitate unloading in a safe and ergonomic manner.

ROTO TILT TRUCKS – OUTSTANDING VALUE AND MAKES HEAVY LOADS SIMPLE

These tilt trucks make heavy loads a breeze to handle. The tough tubular frames support our durable roto molded truck body that is built to take abuse – with a nominal wall thickness of .225". The design incorporates a smooth finished interior tilt wall to minimize the collection of debris, while allowing for easy cleaning after a tough job. Our design incorporates safety standards to insure good balance and allow for comfortable and controlled dumping. Heavy-duty 10" front wheels and 5" rear swivel caster insure easy steering and smooth rolling over any surface. Lids are available for both sizes of trucks. Trucks and lids available in gray only (frame and base are black).
